Tell me what I want to hear. Start with your name.
What's your fav'rite color? Do you like champagne?
Tell me all your secrets. Do you like to play the game?

Refrain:

I know that I want to know ev'ry thing about you.
I want to know just who makes me feel the way I do.
I want to know Â– ev'ry thing about you.

Tell what I want to hear. Where do you come from?
What's your occupation? Do you not have one?
Tell me how you're feeling. Do you want to have some
fun?

Refrain:

I know that I want to know ev'ry thing about you.
I want to know just who makes me feel the way I do.
I want to know Â– ev'ry thing about you.

Tell me what I want to hear. Whisper in my ear.
Talk to me of love and how you'd love to disappear.
Describe to me with one word your longing just to have
me near.
Who! Severe!

Refrain:

I know that I want to know ev'ry thing about you.
I want to know just who makes me feel the way I
I know that I want to know ev'ry thing about you.
I want to know just who makes me feel the way I do.
3x I want to know Â– ev'ry thing about you.
