independence an open door,  
its your pawn coming back for more  
but on the other side,  
is my dream come true  
so i shuffle my feet,  
and i, i follow through

yeah...

now just when love seemed out of reach,  
i curse myself for the lack of speech  
and then you smile that smile  
make me feel brand new  
and i'm wondering how i found,  
a girl like you

a girl like you, is easy to love,  
a girl like you, has been sent from above  
and a twist of fate,  
finds a precious few,  
i'm so glad that i found  
a girl like you

ohh..

well i've taken some falls from grace,  
made your eyes turn from my face,  
i defended my ground,  
when i had no clue  
your love is like a river to my soul,  
running through

yeah...

now i'm counting the days to start,  
a celebration of the heart,  
when i will take your hand,  
and say i do,  
promise to cherish and love,  
a girl like you

alright...

a girl like you, is easy to love,  
a girl like you, has been sent from above  
and a twist of fate,  
finds a precious few,  
i'm so glad that i found  
a girl like you

well a twist of fate,  
finds a precious few,  
i'm so glad that i found  
a girl like...

you make the real make,  
my heart weak and still,  
i never noticed  
the founder until,

i found a girl like...  
i found a girl like...  
i found a girl like you

yeah...

a girl like you  
a girl like you  
a girl like you...
