I was tumbling through your shadow as you were  
dancing in the rain.  
I was learning the steps as I followed the disappearing  
tracks that  
Remained.

Refrain:

And I was hopin' that you'd slow down so I could catch  
a glimpse of you.  
I was hopin' that you'd slow down! Yeah!

I saw you imitating the rain vens, but you never seem to  
tire.  
On your glorious flight towards the heavens, you were  
as perfect as a high  
Wire.

Refrain:

And I was hopin' that you'd slow down so I could catch  
a glimpse of you.  
I was hopin' that you'd slow down! Yeah!

Then the night rolled in like a rainstorm with the weight  
of the burden you  
Bear.  
I felt the emptiness of my soul from as it vanished in to  
the air.

Refrain:

And I was hopin' that you'd slow down so I could be like  
you.  
I was hopin' that you'd slow down! Yeah!

I heard the beckoning of angels in a dream I had in the  
sky.  
Through a vision of a nightingale, revelation in  
disguise.

Refrain:

And I was hopin' that you'd slow down so I could be with  
you.

I was hopin' that you'd slow down! Yeah!

3x I was hopin' that you'd slow down  
Hey yeah...
