Night with the eyes of a horse that trembles in the night.

Night with eyes of water in the field asleep is in your eyes.

A horse that trembles is in your eyes of secret water.

Eyes of shadow-water. Eyes of well-water. Eyes of dream-water.

Silence and solitude. Two little animals moon-bed.
Drink in your eyes. Drink in those waters.

If you open your eyes! Night opens doors of musk. The secret kindom of water opens. lowing from the centr of the night.

And if you close your eyes a river, a silent and beautiful current fills you from within. Flows forward. Forward darkens you.

Night brings its wetness to beaches in your soul.
