(1st Verse Spanish)

Eta nena, me da su pena.  
Tan suave y caliente como avena.  
Ella es la playa de mi arena.  
Era mi mujer, pero prive ajena.  
Esta tema lleno de problema.  
Que lo que ma? porque la pena me cema.  
Yo soy yo, yo no privo en macho.  
Pienso en ti, aunque te boracho.  
Mami yo te quiero, por ti te espero.  
Perdoname la boca por llamarte quero.  
Save que yo soy un hombre sincero.  
Ojo colorado como un vandolero.  
Cono negrita el dia mas triste.  
Fue cuando de la vida te me fuiste.  
Me estoy volviendo loco sin mi negrita.  
So olle el coro quel corazon grita.

(Lyrics for Hook/Coro)

(Hook/Chorus)(To be said twice)

Damn I wonder if she miss me?  
Think about her when I'm tipsy.  
Don't know what I'ma do  
Cuz I'll rip through my skin to prove I want you!

Lyrics for 2nd Verse

(2nd Verse)

And with all that said, you still in my head.  
Wish you was here, laying in my bed.  
So I could hold you tight, kiss you goodnight.  
Make ups to break ups, miss the good fights.  
Miss your voice like the sweet accapella.  
And you always mad that I'm out with the fellas.  
When I told my heart, I'd make sure I tell her.  
We Daisy and Pongo rocking the Cruellas.  
Picked up the phone, I talked, you moaned.  
Knew it was on when I walked in your home.  
And baby while we beating, I hear your heart beating.  
You knew shit was sweet when ESICKZ start eating.  
Weekday to weekend, kept the thing leaking.  
Had your body speaking like, "Who let the freak in?"  
Used to spend the night out, now I spend the day in.

And never stopped praying, so hear what I'm saying.

(Lyrics for Hook/Coro)

(Hook/Chorus)(To be said twice)

Damn I wonder if she miss me?

Think about her when I'm tipsy.

Don't know what I'ma do

Cuz I'll rip through my skin to prove I want you!

Lyrics for 3rd Verse

(3rd Verse)

A mi me dicen que el amor es loco.

Estoy retardao y me pase un poco.

No se porque pero yo te extraño.

Asiendo te el amor en el piso del bano.

Ano por ano, dia por dia.

Me recuerdo cuando tu eras mia.

Siendo te lo que pensava y queria.

Siendo te el amor y tu venia.

Te necesito como cerveza fria.

En me vida como amiga o chilla.

No te ria, nena yo te amo.

And when you not here, yo te llamo.

Y cuando te llamo y tu no contesta.

¿Cono, carajo, pero que la creta?

Y pa tu novio, que no se meta.

Que esto es una pasion que no respeta.
