Feeling kind of loco
Wanna dance all night
And maybe maybe
I'll get you baby
I've seen you once before
You're just my type
Think I'll get lucky
Oh baby baby

Chorus

Come on
Call me bonita
Don't be shy
I promise to please you
Te quiero te quiero
I'mma show you
Come on
Call me BONITA
Don't be shy
I promise to please you
It's getting hotter
And I'm about to be
Your midnight sun

Got that look like you don't care
Acting like a millionaire
Boy you got me dancing (oh, oh)
Got no worries got no cares
Causing trouble everywhere
Boy you got me dancing
Got me dancing dancing (repeats)

All I wanna do
It's keep you up all night
Forget your girlfriend
We'll keep it secret
Boy what you got
It's really hard to find
You got me twisted
Think I'm addicted

Chorus

Got that look like you don't care
Acting like a millionaire
Boy you got me dancing (oh,)
Got no worries got no cares
Causing trouble everywhere
Boy you got me dancing
Got me dancing dancing

Dancing dancing
Dancing dancing

Going to be your midnight sun (2x)

Got that look like you don't care
Acting like a millionaire
Boy you got me dancing (oh, oh)
Got no worries got no cares
Causing trouble everywhere
Boy you got me dancing
Got me dancing dancing
