## Verse 1

Picked up the phone  
Dialed your number  
Click  
I can't forget  
The way things used to be  
Felt so good  
Had me saying oh  
You know it ain't always money  
But don't it sound funny  
Everyday is my day when I'm loving no one

## Hook 1

Is it reality  
To think true love was made for me  
Cause of the pain I feel  
When the phone rings  
And it ain't for me  
Most of the time  
I read myself to sleep  
7 days a week  
And I can go on and on and on  
You see  
But this time could mean  
I'm running outta love

## Verse 2

Late at night  
When there's no one around  
I can feel the tingle in my hand  
Felt so good  
Had me saying uh  
You know it ain't always money  
But don't it sound funny  
Everyday is my day when I'm loving no one

## Hook 2

Is it reality  
To think true love was made for me  
(Was it made for me)  
Cause of the pain I feel  
When the phone rings

And it ain't for me  
(It ain't for me)  
Most of the time  
I read myself to sleep  
7 days a week  
(But I'ma go on)  
And I can go on and on and on  
You see  
But this time could mean  
I'm running outta love  
(Oh out-ta love)  
Running outta love  
(Oh out-ta love)

Bridge  
I remember love  
I remember like it was yesterday  
I remember love  
Picked up the phone  
Dialed your number  
Click

Hook 3  
Is it reality  
To think true love was made for me  
Cause of the pain I feel  
When the phone rings  
And it ain't for me  
Most of the time  
I read myself to sleep  
7 days a week  
(I'ma gonna go on)  
And I can go on and on and on  
You see  
But this time could mean

Hook 4  
Is it reality  
To think true love was made for me  
Cause of the pain I feel  
(Pain I feel, the pain was real)  
When the phone rings  
And it ain't for me  
Most of the time  
I read myself to sleep  
7 days a week  
(But I'ma go on)  
And I can go on and on and on  
You see  
But this time could mean

Hook 5  
Is it reality  
To think true love was made for me  
Cause of the pain I feel  
When the phone rings  
And it ain't for me  
Most of the time  
I read myself to sleep  
7 days a week  
(7 days a week)  
And I can go on and on and on  
You see  
But this time could mean  
I'm running outta love  
I'm running outta love  
(Oh out-ta love)  
Running outta love  
(Oh out-ta love)
