Love Song!

You waste your time always looking at me,
Don't you know you're never gonna get the opportunity
to see the other side of me, yeah yeah yeah yeah.
Now you caught me, you caught me by surprise,
But I'll never question what I feel inside.

All I know is that,
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)

You waste your time always looking at me,
Don't you know your never gonna get the opportunity
to see the other side of me, yeah yeah yeah yeah.
Now I'm sorry that I didn't see before,
All I wanted was to be your friend and nothing more,
So fuck you!

I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)

You waste your time always looking at me,
Don't you know you're never gonna get the opportunity
to see the other side of me, yeah yeah yeah yeah.
Now you caught me, you caught me by surprise,
But I'll never question what I feel inside.
You fucking bitch!

I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
I didn't mean I didn't mean to love you (didn't mean to
love you)
