First day of the rest of my life,
I never want it to go.
A blank stare from a positive mind is all I want you to
know.
Passed down by the hands of the wise and what they
showed me is broke.
Kicked out by the brute of the bunch, I never wanted a
show.

Passed out from misuse of the sunlight, without a
mechanical device.
Anymore comfort rolls in a pack of twenty with all their
hands to protect you,
From the ghouls and bears and uncomfortable stares
that will illegally taunt you.

First sight of the rest of my life, I never wanted to go.
A blank stare from a positive mind is all I wanted to
know.
Brought up by the love of my life though never knowing
it shows.
In no time I'll be counting the line between my sickness
and gold.

Passed out from misuse of the sunlight, without a
mechanical device.
Anymore comfort rolls in a pack of twenty with all their
hands to protect you,
From the ghouls and bears and uncomfortable stares
that will illegally taunt you.

All my life I waited for days that wait for days that wait
forever.
All this waiting never got me paid, but I don't want
money because it gets you faster.
All my life I waited for days that wait for days that wait
forever.
All this waiting never got me paid, but I don't want
money because it gets you faster.

Passed out from misuse of the sunlight, without a

mechanical device.

Anymore comfort rolls in a pack of twenty with all their
hands to protect you,
From the ghouls and bears and uncomfortable stares
that will illegally taunt you.
