The truth is, you know,  
I'm havin' a moment right now,  
Where everything makes sense.  
Well, I think some feelin',  
From this light and smooth guitar would tread,  
Right now.

And all those nights I lost,  
By thinkin' way too hard and long.  
I finally realized,  
Just by ending some deep end I feel alright.

The truth is, you know,  
We could never find a better friend,  
To work with.  
You make us feel at home...  
It would make me so happy,  
Right now, to hear some piano being played,  
By my oldest friend.

And all those nights I lost,  
By thinkin' way too hard and long.  
Well, I finally realized,  
That I need some drums crackin',  
And I'll feel fine.

The truth is, my love,  
That I love you so much,  
That it hurts.  
Ooooh.  
And as cheesy as I sound,  
I've been practicin',  
For the moment when I do.  
Oh I do.

And all those nights I lost,  
By thinkin' way too hard and long.  
Well, I finally realized,  
As long as I have you,  
I'll be alright.

The truth is, you know,  
I'd be nothin',  
Without everyone.  
Ooooh.
