Ref.:

Come back,
Baby come back,
Baby come back,
Baby come back,

1.

This is the first time I feel today
That you have run away
I'm asking you for the first time
Love me so fine and stay - stay - stay - stay

Ref.:

Come back ...

2.

There ain't no use in crying
'Cos I'm more hurt than you
I should not have been that flirting
But now my love it isn't true - true - true - true

Ref.:

Come back ...

3.

Come back baby don't you leave me
Baby, baby, don't you go
Oh won't you give me a second chance
Baby, I love you so - so - so - so

Ref.:

Come back ...
