Saturday night and I'm sitting in a tub.  
Got to see my baby  
Rub a dub dub.  
Need hot water running out

got to see my baby  
scrub a scrub scrub.  
Wait till late to see my baby

tonight's the night  
that I'm going to ask her

got to smell sweet just like a rose.

Sitting in my tub  
Rub a dub dub.  
Sitting in my tub  
scrub a scrub scrub.  
Saturday night and I'm having a rub

Got to see ma baby  
Rub a dub dub.  
Need more soap I'm running out

got to see my baby  
scrub a scrub scrub.  
I wonder what will be the answer.  
This is the first time  
I'm going to ask her

Sitting here I won't know the answer

sitting in my tub  
rub a dub dub.

Sitting in my tub  
rub a dub dub.  
sitting in my tub  
scrub a scrub scrub.  
Saturday night and I'm sitting in my tub.  
Got to see my baby  
Rub a dub dub.

Need hot water I'm running out

sitting in my tub  
scrub a scrub scrub.  
I wait till late to see my baby

tonight's the night that - that  
I'm going to ask her

Got to smell sweet just like a rose

sitting in my tub  
scrub a scrub scrub.  
Come into my tub

said the spider to the fly

No thank you  
replied the fly

don't really think

I need a rub.
