Wake up in the morning, Can't get out of bed
I'm already late for school, my mom is seeing red
I didn't do my homework, I didn't get any sleep
I never knew emotional penetration could run so deep
I gotta lack of motivation
You took for granted my admiration
and caused me so much aggrivation
You took for granted my admiration
I loved you, you said you loved me to
you wanted him, he'd been wanting you
I saw it coming, i didn't try and stop it
it's been six months now, i really ought to drop it
but if i never talk to you after today
please remember these words i say,
I loved you more than Chewbacca the Wookiee,
and it's always time for cookie
I
