-ba

You told me that you loved me  
And kissed me in the street  
I felt your arms around me  
Like ground beneath my feet  
You promised me forever

Your poems were so clever  
I never saw your mask  
You gave your heart so freely  
I could not even see  
It wasn't you who smiled right back at me  
Odi Et Amo Odi Et Amo  
Me Oscuros

I'm not afraid of darkness  
That walks the city streets  
Betrayel is the one thing that brings me to my knees  
I thought you were an angel  
My rescue from this hell  
The devil was an actor who played his part too well  
You vanished in the shadows  
And suddenly I knew  
That I would give my life to be with you

Odi Et Amo, Odi Et Amo  
Me Oscuros  
Odi Et Amo, Odi ET Amo

I don't mean to leave it up to fate  
Love is just another side of hate  
It's flowing through my veins  
It burns me from within  
The line between a lover and enemy's grown thin  
Too late for the sinner to be saved  
Your heart is the mystery I craved  
You're pushing me too far  
You've brought me to my knees  
When pain becomes to pleasure  
And torture feels like bliss

Odi et amo, Odi et amo  
Me Oscuros  
Odi et amo, Odi et amo
