I've been waiting  
For the day to come  
When I'll understand Your ways  
Cause i'm looking at these four walls  
And i'm scared of what You say

You've been takin, takin  
Wasting all your life away  
Throw it all away  
Can You hear me say

Just give a little  
Meet me halfway in the middle  
Just give a little  
Meet me halfway  
If You give a little  
Meet me halfway in the middle  
Just give a little  
Meet me halfway

I've been praying  
That you realize  
That you're doing something wrong  
On the constant attack  
You can't see what you lack  
You live your life alone

You've been takin, takin  
Wasting all your life away  
Throw it all away  
Can't You hear me say

Just give a little  
Meet me halfway in the middle  
Just give a little  
Meet me halfway  
If You give a little  
Meet me halfway in the middle  
Just give a little  
Meet me halfway

You've been takin, takin

Wasting all your life away  
Throw it all away  
Can't you hear me say  
You've got to give a little more  
You've got to make it right  
You've got to give a little more  
To make it through to the otherside
