There are times  
When I will lose myself  
To hide from all my shame  
I know the world  
The world is watching me  
So I run and fade

Despite the distance  
You stay near me  
Walking alone  
Down this road i'm on  
I have my problems  
But you stay near me  
That's why i'm wrong when I think it's all

Out of site out of mind  
The things I don't know  
Can't hurt me  
Out of site out of mind  
Don't know where i'll be  
But i'm on my own this time

And when I finally breathe  
Could this be the last time  
I ever do you wrong  
So I, I cry out, it's insane  
I can't believe i'm running  
From all that's here for me

Out of site out of mind  
The things I don't know  
Can't hurt me  
Out of site out of mind  
Don't know where i'll be  
But i'm on my own this time

I will overcome, I will overcome  
I will overcome
