I CAN LOVE YOU LIKE THAT

They read you Cinderella

You hoped it would come true

That one day your Prince Charming

Would come rescue you

You like romantic movies

You will never forget

The way you felt when Romeo kissed Juliet

All this time that you've been waiting

You don't have to wait no more...

Chorus:

I can love you like

I would make you my world

Move Heaven and Earth if you were my girl

I will give you my heart

Be all that you need

Show you're everything that's precious to me

If you give me a chance

I can love you like that

I never make a promise I don't intend to keep

So when I say forever, forever's what I mean

I'm no Casanova but I swear this much is true

I'll be holdin' nothing back when it comes to you

You dream of love that's everlasting

Well baby open up your eyes

Repeat Chorus...

BRIDGE

You want tenderness-I got tenderness

And I see through to the heart of you

If you want a man who understands

You don't have to look very far
