Well I don't wanna hear last call

And I don't wanna look at the clock on the wall

Let's lose track of time while we're dancing this close

And I don't really care if no one's around

We can just stay right here until the moon goes down

If it were left up to me, I would never let go

But if this is a dream then I don't wanna wake up

And see the sun shine again

As long as you're in my arms

I don't want this song to end

Let me look in your eyes and count the stars

Let me hold you tight next to my heart

And I'll whisper I love you for the rest of my life

Let's make believe the music plays

For just you and me could make the world go away

In perfect time you will always be mine

But if this is a dream then I don't wanna wake up

And see the sun shine again

As long as you're in my arms

I don't want this song to end

Yeah if this is a dream then I don't wanna wake up

And see the sun shining in  
As long as you're in my arms  
I don't want this song to end  
Now if you're in my arms  
I don't want this song to end
