I see the questions in your eyes I know what's weighing  
on your mind But you can be sure I know my part I'll  
stand beside you through the years You'll only cry those  
happy tears And though I'll make mistakes I'll never  
break your heart Chorus I swear, by the moon and the  
stars in the sky I'll be there I swear, like a shadow that's  
by your side I'll be there For better or worse, 'til death do  
us part I'll love you with every beat of my heart I swear I'll  
give you everything I can I'll build your dreams with  
these two hands And we'll hang some memories on the  
wall And when there's silver in your hair You won't have  
to ask if I still care Cause as time turns the page my  
love won't age at all Chorus I swear, by the moon and  
the stars in the sky I'll be there I swear, like a shadow  
that's by your side I'll be there For better or worse, 'til  
death do us part I'll love you with every beat of my  
heart I swear
