Alarm clock rang 'bout a quarter 'till eight
Before I even got up, I was runnin' late
Crashed through the door about half past ten
Boss man waitin' when I walked in
I said...

Love made me do it
Love made me do it
Can't get enough of that woman of mine
Boss said I blew it, but love made me do it

The boys were going fishing at the Cherokee River
Said I'd meet them there, but I couldn't deliver
She was drowning me in a river of love
We were in deep 'till the sun came up

Love made me do it
Love made me do it
Can't get enough of that woman of mine
The boys said I blew it, but love made me do it

I don't feel bad 'cause I'm not to blame
I've got a heart for her that can't be tamed
A once track mind on a runaway rail
I can't help it I'm under her spell

Love made me do it
Love made me do it
Can't get enough of that woman of mine
They all said I blew it, but love made me do it

I said love made me do it
Can't get enough of that woman of mine
They all said I blew it, but love made me do it
Love made me do it
Love sweet love
