Tell me I'm still looking ---
I always have to ask, anywyas
Tell me I can--- make it on my own
You'll never leave me alone, but

I can feel it
It's so strong
I can feel it
Every day long
I know it's true
It's in my heart
I know I'm ready to start but

I hear you talking
Saying that I'm not ready
I her you walking
So making sure my steps are steady now

Sometimes you just have to let go
This much, I know
Won't you let me just be who I am
I know that you will understand that

I can feel it
It's so strong
I can feel it
Every day long
I know it's true
It's in my heart
I know I'm ready to start but

I hear you talking
Saying that I'm not ready
I her you walking
So making sure my steps are steady now

Decisions of my own
They are what I decide
I'll take just what I can
Ther's no need to find, no
You can't watch everything
So just let me be

I can move on my own
Just watch and you will see
yeah, yeah yeah
