Houman

E: They say your holy hand are in the hands of another person

E: They say that your eyes are with me, but your thoughts are somewhere else

Kamran

E: They it was a lie that your always mine

E: Your honey colored eyes are following someone else's

Ebi twice

E: Is is possible for an angle to know how to break a heart?

E: Human can be cruel, but how about an angle?

Kamran says the same thing twice

Ebi:

E: I heard that that your companions are night and day in solitude

E: I heard that you invite the sun to your dreams

Houman

E: Why your ovely hands are not having a color of summer anymore?

E: Why your eyes don't become a home for rain, when I am not around you

Ebi

E: Maybe you gave your heart to someone else in the middle of a way1

E: Who Is that person that your heart is beating for?

E: You are from another realm; you are from the sky, those high raising ones

E: My desired angle please don't laugh at my cryings

P: Akhe mage fereshte ham rasme shekastan balade?

P: Adam mitune bad bashe, mage fereshte ham bade?

Kamran repeats
