Migan dastaye pake to mehmune dastaye dige ast

Migan negat pishe mane ama delet jaye dige ast

Migan dorough bude ke to ta akharesh male mani

Cheshmaye range asalet donbale cheshmaye dige ast

Akhe mage fereshte ham rasme shekastan bale

Adam mitune bad bashe mage fereshte ham bade

Ba shabo mahtab shenidam in ruza khalvat mikoni

Migan to khabo royahat khoprshido davat mikoni

Un kie ke be jaye man shaba barash delvapasi

To ahle asemunayee un asemunaye boland
