If it weren't for kids  
Have you ever thought  
There wouldn't be a Santa Clause  
But look what the store just brought  
Thank god for kids

We'd all live in a quite house  
Without Big Bird or a Mickey Mouse  
Or Kool-Aid on the couch  
Thank god for kids

(Chorus)  
Thank god for kids  
There's a magic, for awhile  
A special kind of sunshine in a smile  
Have you ever stopped to think  
Or wonder why, the nearest think to heaven  
Is a child.

Daddy, how does this thing fly?  
A hundred other where's and why's  
I really don't know, but I try  
Thank god for kids.

And when I look down in those trusting eyes,  
They look to me and I realize,  
Thats love that I can't buy  
Thank god for kids.

(Chorus)

So when you get down on your knees tonight  
And your thanking for His guiding light,  
Just pray they turn out right  
Thank god for kids.

Thank god for kids.
