MAC THE DOULOS VERSE:

this that holy hip hop, but easy homieÂ...

Wait! Don't tune me outÂ...take it easy homie

We preachinÂ' Jesus , but please believe us

In all honestyÂ...you really need this homie

That's why we hittinÂ' ya block up with this God stuff

The gospel of ChristÂ...the only truthÂ...not allah cuz

I know hearing this in hip hop can be odd but

If we didn'tÂ...ya only option would be ya grandma's
stuff

And that's cool and all

But since kats love rap, we sneak the gospel
inÂ...spittinÂ' truth in bars

still feel like I'm losing yall

If don't rhyme about girls, cash, my crew, or cars

understandÂ...it don't matter how much doe you get
dude

Cuz when you goÂ...ain't none of it goinÂ' wit you

To the afterlifeÂ...that's a fact of life

It's obviousÂ...you need to change ya appetite

Cuz you hungry for the wrong types of things

Like the status, the chrome and the icy chains

You MaterialisticÂ...a spiritual misfit

You're at odds with God and you're willing to risk
it?!?!??

So why it gotta be like that

Forsaking the savior like he ain't bleed like that

Tortured and stretched on a tree like that

Died, rose, and rolled, but said that he'd be right
back

HOOK:

Resist the system

Reject the status quo

Buck against the world's ways

God's got a better way

Peep the alternative

If you dead in sins...you can turn and live

That's why He bled for you. Laid in the grave for you.

Raised in 3 days...the cost of sin's paid for you!

MAC THE DOULOS VERSE:

I work a 9 to 5 in Chester, PA

You'd get depressed if I replayed what I see everyday

Why? kats have opted to brush God under the carpet

And all this causes is godlessness

Look the Stakes is high

like the Empire State sky scraper

This situation's major...

turnin' ya back on the God who made ya

You don't wanna make that mistake cuz....

If you don't follow Christ way...it's a heavy price to pay.

don't wait til you die

then open up ya eyes in hell to be like "dag! Yo, them Christians was right

ay yo recognize

that we've all sinned and a just God just won't let you slide

It's best you side

with God's Son who came to taste death then rise just to rescue lives

HOOK:

Resist the system

Reject the status quo

Buck against the world's ways

God's got a better way

Peep the alternative

If you dead in sins...you can turn and live

That's why He bled for you. Laid in the grave for you.

Raised in 3 days...the cost of sin's paid for you!

MAC THE DOULOS VERSE:

Oh so you tryin' to be a trap star

Gunnin' to be the one runnin' things like a track star

Listen...Christ endured the cross, died, and got up

So you wouldn't have to run the streets and get shot up

And lil' girls learn how to drop that and pop that...

I'm askin' myself...ay yo...where they pops at?

Oh...he a thug on the strip tryin' be a coke boss

Or in the club with a chick...tryin' get her clothes off

And this is how kats in the hood think

It stinks the enemy...he got the hood hoodwinked

It's just disguised lies pullin' the wool over ya eyes

Don't be a fool open ya eyes

it's so ill

I'm on this bumpy ride through life and I'm seeing
tons of road of kill

Dead individuals...and I ain't talking bout the
physical

It's spiritual...to bring 'em back to life we need a
miracle

God is awesome

But people got a priority list where God ain't at the
top...we got a problem

And its solvin' is only found in the God-man

Who suffered the cross to recover the lost that's
God's plan.

Jesus Christ...the way, truth, the life

And yup...He can save you despite

Who you are or what you've done in life

You lost in darkness, you need to turn to the light

HOOK:

Resist the system

Reject the status quo

Buck against the world's ways

God's got a better way

Peep the alternative

If you dead in sins...you can turn and live

That's why He bled for you. Laid in the grave for you.

Raised in 3 days...the cost of sin's paid for you!
