See the writing on the wall
I think I was bound to fall
Voices whisper in the wind
I can hear them callin'Â'
Love is the fire burnin'Â'
And I want to burn

Darkest now before the dawn
Times weÂ've known will soon be gone
Flames of freedom fill the air
I can hear them callin'Â'
Love is the fire burnin'Â'
And I want to burn

Fire

Fire

Love is the fire burnin'Â'
And I want to burn

Fire

Fire

Love is the fire burnin'Â'
And I want to burn
