Sometimes I want to jump into my car and drive it off a cliff,

Sometimes I want to jump into my car and drive it off a cliff.

I feel like giving up,
Feel like giving up,
I really feel like giving it up.

Loneliness can drive you to the edge of hell, but you cannot let it ruin your life.

Feels like Iâ€™m losing my mind and Iâ€™ve lost control,
Trying to find my way,
You are my only hope.

Sometimes I want to jump into my car and drive it off a cliff,
Sometimes I want to jump into my car and drive it off a cliff.

No one understands where my lifeâ€™s at, but they all say that they understand,
Failure makes it difficult to keep my head up,
Help me,
Help me up.

Feels like Iâ€™m losing my mind and Iâ€™ve lost control,
Feels like Iâ€™m losing you now and Iâ€™ve lost my soul,
Feels like Iâ€™m losing my mind and Iâ€™ve lost control,
Trying to find my way,
You are my only hope.

Jacob saw the angels going up and down,
We will see them just the same upon the Lord,
Heaven sent a highway full of grace and truth.

Joining Godâ€¦
Joining Godâ€¦
Joining God and man forevermore.

Feels like Iâ€™m losing my mind and Iâ€™ve lost control,

Feels like Iâ€™m losing you now and Iâ€™ve lost my soul,
Feels like Iâ€™m losing my mind and Iâ€™ve lost control,
Trying to find my way,
You are my only hope,
Feels like I was losing my mind; I have lost control,
Maybe I was never alone.

You know, there were times in my single life when I felt like giving up, but God had a plan. God always has a plan if could only hear his voice. We can hear his voice is we listen.
