You don't know where I've been,  
You don't know where I've been,  
You don't know where I've been,  
You don't know where I've been,  
You don't know where I've been.

Take my shoes, take my shoes,  
Take my shoes, take my shoes,  
Take my shoes, take my shoes,  
Take my shoes and walk a mile,  
Take my shoes and walk a mile,  
Take my shoes,  
And walk a mile in my shoes if you wanna know where  
I've gone.

Do you know where I've been?  
You don't know where I've been,  
Do you know where I've been?  
You don't care where I've been.

You don't know,  
You don't know.

You don't know if I'm lonely,  
You don't know if I'm sad,  
You don't know if I'm hungry,  
You don't know if I'm mad.

You don't know, you don't ask,  
You don't know, you don't ask.

So take my shoes, take my shoes,  
Take my shoes, take my shoes,  
Take my shoes, take my shoes,  
Take my shoes, take my shoes,  
Take my shoes, take my shoes,  
(fade)
