Sovereign are you, Lord, you who sit upon the throne,  
Father, Son and Spirit, perfect trinity you are.

Through your word you've created the heavens and  
the Earth,  
You command what you will, and you grant what you  
command.

Total dominion,  
Above you no one dwells,  
Master majestic,  
You conquered death and Hell.

Incarnate Word, born into the world that you created,  
Son of God most high came to Earth and became low,  
A mother made by her own child,  
We marvel at your awesome plan.

Then became... (then became)  
Rejected by the builders then became He the  
cornerstone,  
Beautiful saviour, the grave couldn't hold you down.

Torn now is the veil,  
And now you call to me, to come to you,  
Your body torn for me,  
Your blood was shed for me, and now I know the way is  
through the veil.

The debt of the sinner can only be paid with blood,  
Holy wrath and anger; forgiven through Christ alone.

Torn now is the veil,  
And now you call to me, to come to you,  
Your body torn for me,  
Your blood was shed for me, and now the only way is  
through...

Torn now is the veil,  
Glory to glory, he's transforming me,  
All honour and all praise unto the holy one,  
Hallelu, hallelujah.
