Well way down yonder on a chatahoochie
It gets hotter than a hoochiecoochie
We laid rubber on the Georgian asphalt
We got a little crazy but we never got caught.
Down by the river on a Friday night
A pyramid of cans in the pale moonlight.
Talkn bout cars and dreamn bout women
Never had a plan just liven for the minute

Well way down yonder on a chatahoochie
Never knew how much that muddy water meant to me
But I learned how to swim and I learned who I was
Lotta bout livn and a little bout love

we fogged up the windows in my old chevy
I was willing but she wasn?t ready
So I settled for a burger and a grape snow cone
Dropped her off early but I didn?t go home.
Down by the river on a Friday night
A pyramid of cans in the pale moonlight
Talkin bout cars and dreamin bout women
Never had a plan just alivn for the minute

Well way down yonder on a chatahoochie
Never knew how much that muddy water meant to me
But I learned how to swim and I learned who I was
Lotta bout livn and a little bout love

Well way down yonder on a chatahoochie

Lotta bout livn and a little bout love, lotta bout livin but
a little bout love
