The snow is falling It's Christmas Eve  
Presents are wrapped Under the tree  
Is there one for me?

I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself  
Oh, tie a ribbon 'round yourself

I ain't gonna write no letter Send north to the pole  
Cause what I'm wanting this year Saint Nick don't need  
to know

I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself  
Oh, tie a ribbon 'round yourself

So put on your Christmas stockings I'll find that mistle  
toe  
Let's get into the the holiday spirits  
And honey ho ho ho ho ho ho ho ho

I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself  
I only want you for Christmas, baby  
I don't need nothing else  
I only want you for Christmas, baby  
Tie a ribbon 'round yourself

Oh, tie a ribbon 'round yourself  
Wooo oooo (train noise)  
Oh I had a bicycle  
I had a train too
