Here we are  
Talkin' bout forever  
Both know damn well  
It's not easy together

We've both felt love  
We've both felt pain  
I'll take the sunshine  
Over the rain

(chorus)  
And I'll try  
To only love you  
And I'll try  
My best to be true  
Oh darlin' I'll try

So I'm not scared  
It's worth a chance to me  
Take my hand  
Let's face eternity

Well I can't tell you  
That I'll ever change  
But I can swear  
That in every way

(chorus)

I'm not perfect  
Just another man  
But I'm will give you  
All that I am

(chorus)

I'll try  
To be true to you  
I'll try  
I'll try  
To always love you

I'll try
