[Intro]

Evey every moment that im away
Every every hour of every day
I love how you take my breath away

[Verse 1]

In your arms im safe an secure every care around me
melt away
When u hold me i forget every word that i wanted to
say
I am feely lost in your love there no one else for me
I surrender completely

[Chorus]

My hearts racing im shaking caught up in the love were
making
This is no this is no ordinary love oh baby
Your skin on my skin oh it's so good i feel like crying
This is no this is no ordinary love

[Verse 2]

I don't neva wana say goodbye i could breathe or say
goodbye
Baby your my reason why i belive there's meaning in
my life

I have faith in love faith in us and faith that this right i
surrender forever tonight

[Chorus]

My hearts racing im shaking caught up in the love were
making
This is no this is no ordinary love oh baby
Your skin on my skin oh it's so good i feel like crying
This is no this is no ordinary love

[Verse 3]

Extrodinary more than special every moment where
together more than love more than enough
Im never leaving ever
Every second every minute love have fall an ended u
and only u
Ordinary jus wa i do

[Chorus]

My hearts racing im shaking caught up in the love were
making
This is no this is no ordinary love oh baby
Your skin on my skin oh it's so good i feel like crying
This is no this is no ordinary love

[Verse 4]

In your arms im safe secure every care around me melt
away
When u hold me i forget every word that i wanted to
say
I am feely lost in your love there no one else for me i
surrender completley

[Chorus]

My hearts racing im shaking caught up in the love were
making
This is no this is no ordinary love oh baby
Your skin on my skin oh it's so good i feel like crying
This is no this is no ordinary love

[Outro]

I don't neva wana say goodbye
I cud never breathe or survive
Baby your my reason why i believe there's meaning in
my life
