

Alaine "Shoulda Never"

Visit "[Shoulda Never](#)" on MotoLyrics.com

You shoulda never ever made me cry
You shoulda never ever why oh why
You shoulda never made me cry, you know you

Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me
Shoulda never lead me on
You shouldn't do me wrong
Shoulda never let you hurt me hurt me hurt me
Hurt me in my mind hurt my body my soul
Hurt my life hurt my heart oh boy you know you
Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me

Never was the kind of girl to trust anyone
To love anyone to give anyone all of me
Never was the type to fall so fast, so fast it hurt
How could you leave me lonely?
Lonely all my days and nights and I cant stand the pain
That I have inside and I wanna,
Make you know the way it is
How could you do this to me?
You know you shoulda

Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me
Shoulda never lead me on
You shouldn't do me wrong
Shoulda never let you hurt me hurt me hurt me
Hurt me in my mind hurt my body my soul
Hurt my life hurt my heart oh boy you know you
Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me

Whatever you said, whatever happened
Whatever you did to me will come around to you
So ready or not, you're gonna see and you're gonna
reap

Whatever you soon you'll feel too
Cos lonely be your days and nights and all I know the
pain
It will serve you right and you're gonna
Know the way the way it is, you'll learn your lesson
And you know you shoulda

Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me
Shoulda never lead me on
You shouldn't do me wrong
Shoulda never let you hurt me hurt me hurt me
Hurt me in my mind hurt my body my soul
Hurt my life hurt my heart oh boy you know you
Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me

Said every word that I wanted to hear
Made me believe that you wanted to care for me
always
The way you deceive me the lies I reveal
And its and its and its too little too late

Said every word that I wanted to hear
Made me believe that you wanted to care for me
always
The way you deceive me the lies I reveal
And its and its and its too little too late

Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me
Shoulda never lead me on
You shouldn't do me wrong
Shoulda never let you hurt me hurt me hurt me
Hurt me in my mind hurt my body my soul
Hurt my life hurt my heart oh boy you know you
Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me

Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me
Shoulda never lead me on
You shouldn't do me wrong
Shoulda never let you hurt me hurt me hurt me
Hurt me in my mind hurt my body my soul
Hurt my life hurt my heart oh boy you know you

Shoulda never made me cry
I shoulda never hide
Shoulda never let you hurt me hurt me hurt me
