Your eyes are brown shining like stars at night
Oh when she smiles I melt her lips are rosy red
When she looks at me I am hypnotized
Staring at those brown colored eyes but she's far I miss
her

Oh my sixteen I love you, oh my sixteen I do, I do love
you
Girl when you're upset please don't cry coz I'm hurt
I'm always here for you, you gave my life a reason for
living
A heart to believe in, a love for us to share

Chorus:
Oh my sixteen I love you, oh my sixteen I care
Say my sixteen will you love me too
Oh my sixteen I do, I do love you

Bridge:
If you need a friend to turn to I will be there, oh I'll be
there
All you have to do is take my hand and I'll be there
(Repeat bridge twice then chorus)
