Before the water  
I'll walk 'till I find a morning away from here  
In my thoughts you are sleeping well  
But I know, I know

Skin to skin  
Heart to heart  
Bound by an oath to never keep us apart  
Skin to skin  
Your hand my heart  
The night only fell when you wanted this to start

Before the water  
I'll walk 'till I find a morning away from here  
In my thoughts you are sleeping well  
But I know, I know that's just not you

Skin and bone  
So much time on my own  
I've forgotten how to be  
I'm regretting not coming home

Skin to skin  
And your hearts on your sleeve  
Can you still breathe?

Before the water  
I'll walk 'till I find a morning away from here  
In my thoughts you are sleeping well  
But I know, I know that's just not you

Youth took everything away  
And made you who you are today  
We can only hope for  
We can only hope for..

In my thoughts you are sleeping well  
But I know, I know that's just not you

Before the water  
I'll walk 'till I find a morning away from here  
In my thoughts you are sleeping well

But I know, I know that's just not you
