Outside the sky is snowing
The Christmas lights are glowing
I hear the Christmas songs but somehow they just feel
so wrong
I see the happy faces
Of people going places
I smile, I'm just faking
Cuz you broke my heart
Because...

Refrain

Christmas isn't Christmas without you
Season's aren't the same now you gone
All I do each day is (just think about you)
If I had one wish, it would be more Christmas

Now on and on forever
It's if we've been together
And wonder about the Promises you said you'd always
keep
Believed it when you told me
(I was the one that knows me)
As Christmas as you love me
Now all that I can do is sit and cry myself to sleep
Because....

Refrain

Christmas isn't Christmas without you
Season's aren't the same now your gone
All I do each day is just think about you
If I had one wish, it would be more Christmas...
