A mother and a baby. Yeah we struggle at times. God
watches over
you she says mama it'll be alright. We lie in the dark.
Silence and
peace. Her in my arms tonight that's all I need

Why are you afraid of the world outside take a chance
a move live
your life. Precious times. You waste. Why are you afraid
of the
world outside take a glance at the sky and you might
find our
memories, our memories where they lie

A woman and a man. I will never understand why we do
the things
we do I go crazy about you baby I do. He says take my
hand
together will pull through.

Why are you afraid of the world outside never let
anyone tell you
why your not the same. Your perfect in my eyes. Maybe
its not as
simple as that forget all the lies ill tell you a fact

Happiness, happiness lies within. Memories where they
lie
memories lie within.
