It's been years its been so long what can I say
Now you're gone you've slipped away
In my life I would have given every breath to you
Did you care for me did you love me too

Have mercy on me, Have mercy on me

Time will be the day maybe then my fear of dismay
will go away it wont last long, and when I see your face
when its my time to go will you wait beside the gate to
hold me, and yes i know yes you know It hurts me.

Have mercy on me, Have mercy on me

Iv been waiting for the sun to shine to pull back on me,
and to you I will never say goodbye you'll be with me
forever by my side.

Have mercy on me, Have mercy on me
