Why those words why do they mean so much to me and  
your  
smile it shines brightly it never fades or dims for me.  
Mother iv  
become much wiser. Mother I can breathe without his  
air, but  
when I make it to where I'm meant to be will he care? Or  
will he  
forget about me.  
Take my breath away don't hold me down, but don't let  
me break.  
Fill the emptiness let go of rage. You've come to far for  
a smile to  
be exchanged But if I cry to you would that be okay?  
Thoughts are  
never meaningless if you let go of yesterday

Remember here remember how it use to be? It'll be like  
before  
you'll let go of me. Life will change let go of feelings  
and keep the  
ones that remain it'll be okay. Mother I need a beautiful  
release  
erase all existing memories Did he give a damn about  
me? Would  
it make a difference to me?

Listen to me everything is gonna be alright. Its gonna  
be fine the  
days wil get better just give it time. So don't you cry to  
me you will  
find your way

Thoughts are never meaningless if you let go of  
yesterday

If you don't live in yesterday.
