If ya feelin' real good say hey - HEY

If ya feelin' alright say right - RIGHT

If ya wanna have fun get dumb - REAL DUMB

Everybody sing this song

If ya feelin' real good say hey - HEY

If ya feelin' alright say right - RIGHT

If ya wanna have fun get dumb - REAL DUMB

It's on, it's on, it's really goin' on

Now is the time to have some fun

Get yourself together, let your feelings run

Tonight is the night to play

So get yourself a Jimmy

Yo E.Y.C. wanna hear you say

(\* Repeat)

Listen up, listen up, listen up

Damon, Dave, & I (Tell 'em Trey)

We'd like to say

Sometimes you gotta get loose, wild & crazy

When ya reach that certain high and ya wanna let go

Express Yourself Clearly is the only way we know

\*\*

Now the party's humpin'

808 is thumpin'

Wanna see ya jumpin'

Yeahhh - come on, come on, come on

A yes the party's humpin'

808 is thumpin'

Wanna see ya jumpin'

Yeahhh - come on, come on, come on

(\* Repeat 2 times)

(\*\* Repeat)

(\* Repeat and fade out)
