Baby when we're makin' love
You make me feel like no one else
And when I look into your eyes
I tell ya what I see baby you and me

*

I know just what you need
All you gotta do is trust in me
Baby I'm beggin' you please girl
Want you to know that you can count on me

**

Baby you are number one in my book girl
You know just what to do to make a guy get hooked
Baby you are number one in my book girl
You know just how to make a guy get hooked on you
I can't control the way I feel
The way you touch me girl
It is so unreal
And every time we get together
You know it feels so right
Thinkin' bout you girl
Day and night

(* Repeat)

(** Repeat)

Hey girl

Let your love flow

Cause we can do it fast or slow

Baby, I'll always treat you right

Cause girl you know you're #1 in my life
