Why can't we turn back the hands of time
Holdin' on the dreams inside
And I won't let you down, look into my eyes
What do you see, honest and sincerely, darlin'
Put your trust in me

*

Baby give me one more chance to prove my love
It will last forever
Baby give me one more chance to prove how much
Just how much I love you
Ooo why must we run down the reasons why
And we know that our love will decide
Our true love will survive
(* Repeat 2 times)
I'm missin' you girl
I love you more than words can say
I think about you all night and day
That's all I'm tryin' to say
I feel you in my heart
I'm down on my knees
Beggin' please please please
So baby, I was wrong and all I'm asking for is just one
more chance
(* Repeat and fade out)
