Edgar- O
Nightmare Crew Entertainment
Yea, i can do it all for you
it's all for you

[Edgar- O Verse 1]
Work it for me mama
let me see you move
let me see you bring your body
over here and make you groove

Cause the way you belly dance
got me all full in romance
and I love the way you move
so come and give me another chance

[Chorus 1x]

I can give you what you want
You can give me what I need
I can do it all for you
If you can do it all for me

Cause i love the way you move
and i love the way you shake
got a pleya wanna move
got a pleya wanna dance

[Edgar- O Verse 2]
Can you give me what i want?
Can you give me what i need?
cause i need a real mami
and you need a real man
so come over to my world
to the place that's full of love
I can show you everything
I can buy you anything

Let me give you what you need
cause you know i got it here

you can ask for anything
your my queen and im you king.
I can buy you diamonds
I can buy you gold rings
long as im with you
I dont really give a damn thing

got me all hypnotyze
got me going crazy
got me spending money
got me doing these things
so come over to my place
come and bring your pretty face
and ill promise that you will
never ever have regrets
cause a pleya like me
knows that your a lady
and you wont act shady
is like bonie and clyde
cause a daddy like me
need somebody like you
come and get to know me
so I can do it all for you

[chorus 2x]

I can give you what you want
You can give me what I need
I can do it all for you
If you can do it all for me

Cause i love the way you move
and i love the way you shake
got a pleya wanna move
got a pleya wanna dance

[Verse 3]

Damn lil mama you got me turned on
is the way you move your body that makes me think i
won (haha)
Is like a perfect body
The body of a goddes
The way you move side to side makes me want to try
this
cause i love the way you move
and i love the way you groove
makes me get a lil naughty and try to make another
move
You can call me your papi you can call me your boo
if you can do it all for me than i can do it all for you

got me all hypnotyze

got me going crazy
got me spending money
got me doing these things
so come over to my place
come and bring your pretty face
and ill promise that you will
never ever have regrets
cause a pleya like me
knows that your a lady
and you wont act shady
is like bonie and clyde
cause a daddy like me
need somebody like you
come and get to know me
so I can do it all for you

[chorus 2x]

I can give you what you want
You can give me what I need
I can do it all for you
If you can do it all for me
