YOU GIVE ME HAPPINESS
YOU ARE THE LIGHT OF MY LIFE
YOU GIVE ME HAPPINESS
YOU ARE THE SUN IN MY LIFE
BABY, EVERYTIME YOU COME AROUND ME
YOU MAKE MY SOUL SHINE!

Don't you know, before I met you
Baby, I used to be so blue
Boy, I didn't know how it felt like
To really, really love someone
But since you came into my life
Baby I just feel so damn alive

CHORUS

It's you that color all my days
It's you that bring the passion at night
Baby, when you put your arms around me
I really feel like I'm in Paradise
Cause since you came into my life
Baby I just feel so alive
CHORUS
