Iâ€™ve never thought were so wonderful, so incredible
When I met you baby
Iâ€™ve never thought you would be there for me
Everytime that I, I was falling

Now I feel like never before
You were all I was searching for
When youâ€™re by my side
I donâ€™t need nothing more

IÂ'M GONNA TREAT YOU RIGHT
CAUSE I KNOW YOUÂ'RE WORTH IT
TREAT YOU RIGHT
CAUSE YOU ARE GOLDEN
CAUSE BABY, I KNOW THAT YOU REALLY CARE
OOOH RIGHT, OOH RIGHT

Iâ€™ll never make the same mistakes again,
I wonâ€™t give you pain, boy Iâ€™m gonna change
Cause baby, I know you deserve the best
Just keep loving me and Iâ€™ll do the rest
And I donâ€™t need to say a word
With youâ€™re eyes you understand my world
Iâ€™m so blessed to receive all your love

CHORUS

Why didnâ€™t I realize right away
That there was an angel standing by my side
I was so blind, but when you opened my eyes
I just discovered the powe of your love

CHORUS
