Hard streets, before I left  
Beg, steal and borrow  
On my feet with one eye west  
A better trail to follow

Rollin' - goin' - at the speed of light  
Turnin' - learnin' - how to take the ride.

In deep. but digging well  
Went for it and got 'em  
I believe, before I sell,  
I would rather hit bottom.

Rollin' - goin' - ready any time  
Turnin' - learnin' - how to take the ride.

Headin' towards the setting sun.

Hard streets, and headed west  
Hell of a trail to follow  
In the lead, where life is best  
Better rail the throttle

Rollin' - goin' - at the speed of light  
Turnin' - learnin' - how to take the ride.  
Goin' - rollin' - ready any time  
Leanin' - feelin' - totally alive.
