I've been with you for so many years
Laid beside you, made smiles from your tears
Tears that do wander, your cheeks to your ears
We've never fell over, yet there's more worry than
cheer

I've got someone that loves me today
She's not in the future, she's my morning parade
Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey

We come upon ten years, our holding's the same
This blood becomes precious like the wine in our veins
Connection and overflow make shape disappear
We're turning the lights low, maybe trip and turn here

Hey, hey, hey, hey, hey, hey, hey, hey
Hey, hey, hey, hey, hey, hey, hey, hey

I've been with you for so many years
Laid beside you, came smiles out of tears
Connection and overflow make shape disappear
We're turning the lights low, maybe trip and turn here

Hey, hey, hey, hey
(I've got someone)
Hey, hey, hey, hey
(That loves me today)
Hey, hey, hey, hey
(She's not in the future)
Hey, hey, hey, hey
(She's my morning parade)

Hey, hey, hey, hey
(I've got someone)
Hey, hey, hey, hey
(That loves me today)
Hey, hey, hey, hey
(She's not in the future)
Hey, hey, hey, hey
(She's my morning parade)
