Was a cold dark night the 'witches hour  
Around the fire, with the cross turned down  
I was looking for something to do  
Didn't know what I was getting into

Chorus:

Complex rituals unknown to man  
Souls held by ungodly hands  
Black jackal on earth again  
As few pray he doesn't take revenge

Magic charms with the taste for sin  
Wicked spectrums man kinds end  
Deceiving the universe the time has come  
For the children of the unholy one

Chorus

The human race can't take the pain  
Darkness waits on what's to come again  
Signs of evil damnations dawn  
Signs of life have now all gone

Chorus

Open my eyes to a nightmare it seems  
Just to realize it was all a dream  
Open my eyes to a nightmare it seems  
Just to realize it was all a dream

[Chorus
