Pistons grinding, Shining chrome
In this road, the only thing I know
Blood is boiling, Iâ€™m all alone
Must get back, to find my home

Chorus:
So loud, so alive
All heavy, the earthride

Movinâ€™ faster, breakneck speed
To the limit, metal steed
RPM reading ten, past the point of certain end

Chorus

Feel the breeze of a life time
The wind is whipping back your hair
Your soul it yearns for excitement
There are thirteen ways your gonnaâ€™ get there

Chorus

Iron horse of mercy, Hold my soul so bright
Moto breath stallion, Carry me through the night

Chorus

Feel the breeze of a life time
The wind is whipping back your hair
Your soul it burns for excitement
There are thirteen ways your gonna get there

Chorus

Pistons grinding, shining chrome
In this road, the only thing I know
Blood is boiling, Iâ€™m all alone
Must get back, to find my home
